

Hello, my name is Ronita Naicker and I am here to tell you about an organization called Empowering Hands Helping Global Minds Society. We are a non-profit start-up (located in the Greater Vancouver, BC) that began with a vision of making a difference locally and globally.

Our mission is simple: How can we help? Well, with one initiative at a time. Our dreams are big and our hearts are bigger. We really want to help make our world a better place, through empowerment and dignity. The Society has been running close to two years. I am delighted to say that within this time our efforts have impacted many people.

How have we impacted people? We have provided school supplies to children in villages in Jamaica and Dominican Republic; we have cooked hot meals and served them to the underprivileged in the Tri-Cities and Whalley areas; and just over the holidays we prepared 111 winter care packages with holiday treats and walked down the streets of Whalley and gave them out.

Empowering Hands of all ages were involved in these initiatives.

In 2019 our global initiative was to raise funds for a building renovation project for the Dilkusha Girls orphanage in Fiji. We held a Pub Night to raise funds to start the project. I am proud to say that we started the project in December 2019 and completed the first phase of it. Our goal was to raise \$6000; we were able to raise \$2200, however, we still need to raise the funds to pay off the remainder of the project cost which came to \$8000 CAD.

On Saturday, February 1st, we will be holding a Valentine's Dinner and Dance called *A Night Of Empowerment*. Funds raised during this event go to paying off the cost of this project and also to giving back to our local community - through more hot meal and care package initiatives and visiting care homes and providing our seniors with an afternoon tea service with goodies and a good time.

Our goal is to put **“Dreams In Action”**

A Night of Empowerment will be a splendid, enjoyable, and empowering event. However, the cost of the venue and dinner will be high. We would like to request your company to sponsor this event. Your contribution to the event will help make a difference to people locally, and globally.
